Winston Sports have been the official kit supplier to Bearsted F.C. for the past 15 years. The unique bespoke service they offer coupled with the quality of their kits make them the obvious choice for clubs wishing to achieve uniformed identity for all of their teams.

We at Bearsted F.C. are safe in the knowledge that our design will never be dis-continued. With are able to get small run replacements should we require to replenish an existing strip. The advantage of the kit being manufactured in Kent means that in cases of emergency Winston Sports are always able to deliver and are not reliant on anybody else, which could jeopardise delivery.

As well as our football strip's we are able to purchase our training wear at Competitive prices together with the associated training products that clubs the size of Bearsted F.C. require.

Winston Sports have in the past and continue to be welcome sponsor's of Bearsted F.C. and their sponsorship deals in the present economic climate are a massive help to our Senior and Junior teams.

I have no hesitation in recommending the services of Winston Sports and look forward to continuing our relationship with them for many years to come.
